News Release

September 2004, For Immediate Use

Automotion ISO 9001:2000 Registered

Ann Arbor, MI. Automotion, Inc. is pleased to announce that effective August 3, 2004 it's design and manufacturing facilities located at 3808 Plaza Drive in Ann Arbor, MI where officially listed for Management Systems Registration by NSF International Strategic Registrations, Ltd.

A copy of Automotion's official listing can be viewed and printed from the website of the NSF at www.nsf-isr.org.

After many years of employing ISO 9001 requirements throughout its design and manufacturing processes Automotion is pleased to obtain this recognition of its quality commitment through this official NSF registration.

Since 1983 Automotion has been a leading designer and manufacturer of brushless servo amplifiers, motor controllers, and single axis programmable servo systems for embedded servo solutions for the OEM machine builder.
